

# Sir John Hammond Award

Awarded to those who have made significant contribution and positive impact in the UK and RoI animal science and agricultural sector.

The John Hammond Award was launched in 1968 and is one of the sector's most prestigious awards.

## British Society of Animal Science (BSAS)

The Society is a charity that works to improve the understanding of all aspects of animal science and to ensure research and knowledge transfer has a practical and beneficial application.

BSAS works with science and industry specialists to provide improvements in:

- the welfare and productivity of farmed animals to help produce quality, safe and environmentally sustainable food
- animal health and welfare; and the care of equine, companion and zoo animals

## British Cattle Breeders Club (BCBC)

The Club aims to improve the breeding of livestock by promoting knowledge.

- By collecting, collating and distributing available information and data of practical and scientific interest.
- By promoting the exchange of all such information and data amongst breeders of cattle at home and overseas

## Sir John Hammond Award

The award is highly selective and nominated candidates must be of high merit.

### What is the prize?

£500

Invitation to present at  
BCBC Annual Conference

### What is the application process?

A nomination needs to be supported by  
2 members of either BSAS or BCBC

**Please complete the nomination form and return to  
Maggie Mitchell by 1st March 2025**

The award winner is announced at the  
BSAS Annual Conference

Many thanks to the Royal Smithfield Club for the donation  
of the trophy for the Sir John Hammond Award
